BRIEF ABSTRACT OF LETTER

Submits for sanction the draft bylaws framed by the Nanjangud Municipal Council re the Registration of Births and Deaths

NOTES AND ORDERS

The draft bylaws closely follow those in force in the Bangalore city, with slight variations. In the Govt's model bylaws there are no provisions in connection with

the procedure to be followed for the maintenance of registers and the duties of the registrars & Sanitary inspectors as detailed in the proposed byelaws. The model byelaws confine themselves to enforcing the public for furnishing the information regarding births & deaths. The proposed byelaws fall within the powers of Municipal Councils under Sec 48(1)(q).

The following alterations are submitted for consideration

(2) Byelaw 2. The words "and these books shall be presented in the Sub-Registrar's Office" do not find a place in the byelaws of the Bangalore city and seem to imply that the public are to furnish the information in books and present them to the Sub-Registrar which evidently is not the intention These words may therefore be omitted

(3) Byelaw 5 The words "or some other person" if added after "midwife" will make every person present or in attendance at birth liable to give information The byelaw as it stands at present makes only the mother, father male relative, medical attendant or midwife responsible The model byelaw by the Govt makes every occupier manager or Caretaker of the premises in which the birth takes place & the person in charge of the Child also responsible.

	The period fixed for furnishing the information is one week after birth & 24 hrs after death but it is 72 hrs in both the cases according to Govt's model bye laws
	Bye law 6.
(4)	As in the Bangalore city "any one of the persons present at the death or in attendance during illness may be made liable instead of only the 'near relative'
	Bye law 7
(5)	The Bangalore city bye laws require that a written notice should be given by the person in charge of a public institution but such a written notice is unnecessary under the proposed bye law Orders are solicited if the bye law may be modified as the light of the Bangalore bye laws or allowed to stand into out any alteration since no inconvenience is likely to result
	~~This point for consideration may bye laws not to be~~
(6)	Bye law 9 Does not find a place in the Bangalore bye laws or in Govt's model bye laws but such a bye law has been allowed in the case of some municipal councils for example the Mulbagal Multy has framed a bye law to the like effect It is submitted that due provision should be made for the daily inspection of the Registers by the Sanitary Inspector

	Byelaw 12. The words "fees payable for these ~~Stamp~~ of Revenue documents" appear unnecessary as the provisions of the Stamp Regulation ~~law~~ re the public documents will have to be complied with in all cases, —
	Byelaw 13
(7)	The extract should be signed by the Sub Registrar & hence it is proposed to add the words under his signature after "Sub Registrar. The word 'may' has to be changed to 'shall' as it is obligatory that an extract should be given to the informant
	Schedule
(8)	Report of births & Deaths
	A Column for noting the name of informant has to be provided in both Schedules
	Date of notice may be substituted for Date of Registry in the ~~Schedule~~ Report of Deaths
	According to the Dr's model byelaws the Date of birth has also to be furnished in the report of Deaths and whether a Child has died since birth before the information is given has also to be stated
	It is a matter for consideration if new Columns should be opened to furnish this information Subsequent
